

Let's Ride - By Sheila Varian

Availability: In Stock

Price: \$19.95

Short Description

From winning one of the equine world's most prestigious world championships as a young schoolteacher to leading the way for importing horses from communist-run Poland, Sheila broke through glass ceilings and paved new paths that made her one of the most beloved figures in the equine world. These stories – personally written by her before she passed away – are a collection of her most poignant memories.
